ACTUN TUNICHIL MUKNAL

Referred to as the ATM Cave (The Cave of the Crystal Sepulchre), this adventure has been listed as one of the Number 1 Top Sacred Caves by National Geographic. Located just 2.5 hours away, you will drive through spectacular views of the Maya Mountains. The ATM Cave is only recommended for those of an adventurous spirit who have a good level of fitness. The tour starts with a 40 minute trek through the Tapir Mountain Nature Reserve before you get to the Cave Entrance. The underground stream flows out of the cave entrance and it's necessary to take a short swim into the cave (water depth is about 12 feet). Once you are within the cave, you will be spending approximately 3 hours seeing different formations of stalactites, stalagmites and pillars. It is necessary to squeeze through some tight spaces and climb over rocks to reach the different levels. The rewards are worth it. Two small carved stelae are located above the stream, one carved in the shape of an obsidian blade and the other a stingray spine. On the next level lies the cave's most famous occupant, The Crystal Maiden, an ancient victim of ritual sacrifice probably from the Late Classic Period.

Please inquire at front desk on availability.

XUNANTUNICH & CAHAL PECH TOUR

Located approximately 120 miles away from Placencia is one of the most amazing Archaeological Sites in Belize. Driving for approximately 2.5 hours through a few villages offering scenic views of pristine mountains and miles of citrus valleys in the highlands will take you to Xunantunich. Once there, you will be crossing the Mopan River via a hand cranked ferry. This Classic Periodic Site, known as "Maiden of the Rock" or "Stone Lady" has one of the 2nd tallest Mayan Structures in Belize. Climbing up approximately 120 feet to "El Castillo" will offer spectacular views of the jungle surroundings and neighbouring community of Guatemala.

Combine this tour with Cahal Pech, another panoramic Archaeological Site. Located just 20 minutes away from Xunantunich, this site known as "Place of Ticks" provides vast information on the earliest Mayan Settlers of Western Belize. Cahal Pech has large platforms that were used for Ceremonial purposes and highlights large structures, a ball court and multiple monuments with carvings and symbols on their pottery.

A local lunch is included with tour.

MONKEY RIVER WILDLIFE ADVENTURE

Explore Monkey River by boat observing howler monkeys, coastal and wetland birds, iguanas, crocodiles and many other species of wildlife. With your experienced nature guide at the helm you will slowly weave through the maze of mangrove islands that hug the shoreline. If we're lucky we may see the endangered Manatee as we head south to Monkey River. As the boat moves slowly upriver we'll bird watch and spot turtles, crocodiles and iguanas. Soon it's time to stop and hike through huge stands of bamboo and along jungle trails to view noisy troops of howler monkeys. This is a remarkable and exciting wildlife trip. On our way downriver the boatman will stop in the tiny village of Monkey River for a lunch and an opportunity to purchase souvenirs. (Tour not recommended between months of November to May due to the rainy season)

For all tours we suggest bringing hiking shoes, a camera, binoculars, a swimsuit, a change of clothes, sunscreen and bug repellent. For tours which include a hike, long pants are advisable.

FULL DAY BIRDING - RIDGE TO REEF BIRDING EXPERIENCES

The birding from Turtle Inn is superb due to the wide range of habitats within easy reach of the resort. We offer a daily morning bird walk plus distinct birding tours. Each tour can be customized based on the preferences and target species of the birders. Please inquire for details and pricing.

- **MORNING BIRDING WALK**

A walk through the property from beachfront to lagoon with one of our expert guides.

Time: 6:00am to 7:00am

Wednesday and Saturday (Complimentary)

- **COCKSCOMB & PLACENCIA LAGOON**

The tropical moist forests of the 128,000-acre wildlife sanctuary offer fantastic and varied birding with 290 species recorded within the protected area. The long, shallow lagoon backed by coastal savanna provides a bird-rich environment. Numerous small creeks flow through dense mangrove stands into the lagoon attracting a wide range of raptors and waders.

- **SITTIE RIVER & HOPKINS**

Sittie River, situated between the riverbanks and mountains offers a diverse ecosystem and lush vegetation that are home to the majority of birds species that can be found in Belize. With Hopkins being just across the river, it offers an opportunity to sight some of Belize's Wetland Birds.

- **BOCAWINA & RED BANK**

Begin your early morning by exploring the amazing Mayflower Bocawina National Park which is surrounded by pristine tropical rainforest and habitat to the many different species of migrant and national birds. After visiting this pristine Reserve, you'll have the opportunity to see the colorful Scarlet Macaws. Annually between December and March Scarlet Macaws migrate over the Maya Mountain Divide from the Chiquibul National Park to the small village of Red Bank. It is believed that they migrate for this short period due to the early ripening of the seed pods of the Wild Annatto and Polewood trees.

Seasonal: December to Early February
